

TNR Winter Midweek Doubles Competition 2020

Thursday Nights Mens and Womens Doubles Interclub

Closing Date for Entries: Monday 11th May, 2020

Dates: Thursday 28th May, 2020 (draws will be published by 18th May) / Last Match date 10th September 2020.

All matches are scheduled at 7pm on alternative Thursdays (depending on grades).

Team Composition: A minimum of four Men/Women must be named. Reserve players do not have to be listed but have to be a club member with a Match Hub Ranking code and be of similar ability to those they have replaced.

Matches Played: Four Mens/Womens Doubles. 2 Doubles pairs from each team, each pair to play against both pairs from the opposing team. (Doubles pairing to stay the same for the evening)

Match Duration& Start Time: Each match to be two normal sets with a super tiebreaker to ten if one set all.

Grades: Teams will be placed in boxes of 6-8 teams graded by the standard of their player list. Once grades have been decided a reserve band will be put in place. This reserve band is a guideline and it will discourage teams from bringing in 'gun' players for specific matches. An unlimited number of reserves can be used, but effort should be made from teams that they are a similar level to permanently listed players for everybody's enjoyment.

Weather: In the event of rain the match should be played at 7pm the following Thursday, unless an alternate date and time can be agreed by all parties. If the match is not played no points will be awarded.

Courts: TNR will try to schedule matches to be played at club courts. It is the home team's responsibility to ensure courts are booked for their match. Forrest Hill and Albany Tennis Park may be used.

Draws: Will be available on the TNR website by 18th May.

Balls: Each team to supply one pair of new Wilson Tour Premier tennis balls.

Results: All matches will be recorded online in the same way as Summer Interclub matches. Winning team captains are responsible for entering their result within 48 hours of the match being played.

Entry Fee: \$105 administrative fee per team entered. This fee must be paid up front by teams to secure their places and must be paid in full.

Box Winners: Will receive four one-hour court hire vouchers (worth \$44 each) for the indoor courts at the Albany Tennis Park.
