

PARENTS CODE OF CONDUCT

Thank you for coming and providing support to the players. Your presence is welcomed and appreciated.

Just a reminder as a parent/coach/caregiver, once players are on court your role is that of a respectful spectator.

Please remember that you are not here to:

- Umpire
- Keep score
- Coach
- Make line calls

If you have any problems please contact one of the referees.

Please do not engage with the Tournament Director as she is busy recording scores allocating courts, preparing draws etc. Thanks.
