

Junior Age Group Dispensation Application

All players under the age of 18 at 30th April who are wanting to play outside their age group requirements, must apply for dispensation. Only applications for one age group difference will be considered.

This form must be completed in full for each application. Incomplete applications or applications in other formats will not be considered.

Only 25% of the team may be players outside one age group. Players who do play up an age group do not qualify to reserve down.
